Attn: James Pomeroy

Dear Mr. Pomeroy:

I am writing to you concerning the unfair and unwarranted inferences relative to my background and reputation which I have discussed with you on numerous occasions in the past. I have called you several times in connection with these newspaper stories and other un-American, slanderous remarks and innuendos, but have had no reply, so I take this means of communicating with you. I urge you strongly to investigate thoroughly all of these rumors, reports, and newspaper stories, in fairness to me and my family.

I believe we should know who the sources of these rumors are and the motivations for them. All of these "unknowns" who are credited as the source or sources for these statements should step forward and be identified so that I have an opportunity, in the American way, to reply to these untruths and slanderous remarks.

I urge and plead with you to assist in completing your investigation as rapidly as possible and to make the results of that investigation as public as possible in order to aid in restoring my reputation in the community.

Sincerely,

Tscherin Soobzokov
